How to Make an Appointment

1. Health officials require residents to confirm eligibility to receive the vaccine according to the state's phased plan.

Use this link to do so: <https://www.doh.wa.gov/Portals/1/Documents/1600/coronavirus/820-152-EligibilitySummaryGuidance.pdf>

2. If you are eligible, schedule an appointment by calling your local county's public health office or visiting their website (contact information for each county listed below). You can also find a vaccine location in your county using this link:

<https://vaccinelocator.doh.wa.gov/>

Please note that most locations require appointments.
